PUBLIC HEALTH NURSING SERVICE

MAINE DEPARTMENT OF HEALTH AND WELFARE DIVISION OF PUBLIC HEALTH NURSING, BUREAU OF HEALTH

Annual Report of Public Health Nursing Service in Surry for the year 1965

Your public health nurse works as a member of a health team to further community health. She determines the community's needs by home visiting, consulting records and accumulating data. She then makes the community aware of the health services available. With the help of the health committee she then plans to fill the unmet needs.

Public health nursing services are available to all age groups in the community. There are Child Health Conferences for preschool children; the school health program for school children, with immunization program, and individual counseling for adults.

Home visits have been made to explain the recommended procedure for immunizations against communicable diseases, to guide parents in providing good nutrition for their families and to make families aware of available health services.

FOLLOWING IS A LIST OF SERVICES GIVEN THIS YEAR:

<u>Activity</u>	<u>Attendance</u>	<u>Immunizations</u>
2 Child Health Conferences	33	Diphtheria) Whooping Cough) Tetanus) 23 Poliomyelitis (Salk) 21 Smallpox 13 <u>Tests</u> Mantoux 72

SCHOOL REPORT

I hereby submit my tenth annual report as your Superintendent of Schools to the Superintending School Committee and the Citizens of Surry.

When school opened in September the following number of students were enrolled by grade:

<u>Teacher</u>	<u>Grade</u>	<u>Enrolled</u>	<u>Room Total</u>
Russell Boynton	8	8	
	7	11	
	6	8	27
Mrs. Georgene Allen	5	12	
	4	16	
	3	9	37
Mrs. Rena Bonsey	2	12	
	1	10	
	K	9	31
		Total	95

The following students from Surry attend high schools as listed:

Ellsworth High School

Freshmen: Arnold Astbury, Arden Barnes, Belinda Carter, Susan Carter,

Toni Daigle, Deborah Dow, Ruth Kane, James Leach, Donald Pierce, Elaine Puleski, Roger Randall, Joan Adams.

Sophomores: Brenda Carter, Patricia Carter, John Curtis, Sherry Davis, Lydia Mann, Catherine McGraw, Corinne Sawyer, Louis Webber, Kathleen Soper.

Juniors: Jane Hooper, Holly Ramsdell, Stanley Saunders.

Seniors: Janice Carter, Mary Curtis, Marjorie Kennedy, Edward Leach, Mary Ramsdell, Walter Stevens, Clyde Webber, Ruth Adams.

Bucksport High School

Sophomores: Kathleen Soper, Richard Taylor.

I am very happy to report that the basement area was completely renovated last summer and is a welcome addition to your building. Mrs. Brooks continues as a full time aid in the basement classroom, where she has one of the first five grades each period, thus providing needed relief in those rooms upstairs. A word of thanks and appreciation is in order to Mr. Elwood Sawyer who donated both time and materials to the basement electrical work, completely rewiring the same. This meant a substantial savings to the overall job; the schools could use more public spirited citizens like Mr. Sawyer.

On the positive side we are indeed fortunate to have Mr. Boynton, Mrs. Allen, and Mrs. Bonsey back again. Your educational program has continued to serve well with the same faculty carrying on as before. While the junior high school program has not materialized yet, it is still very much alive. I still recommend highly that Surry work towards the day when you can send grades 7 and 8 to an area Junior High and make your present building into a K-6 school.

A step towards this area consolidation could be achieved by a School Administration District, and Surry should be studying this possibility right now.

The school department was unfortunate this year to lose the services of Mr. and Mrs. Robert Carlisle, Jr.; both of whom have served you loyally and for a good many years. We shall miss them.

I have studied your financial situation with the school committee and we have presented the Selectmen with the following budget recommendation:

Recommended Budget for 1966-67		\$53,189.00	
		718.18	
			\$53,907.18
Less State Subsidy	\$13,436.00		
Less Ministerial School Fund	96.00		
	\$13,532.00		

Difference: \$40,375.18

Recommended 1966 Appropriation: \$40,375.00

While the gross budget recommended is increased about \$1100, the net amount of \$40,375 is somewhat less than last year; due to increased state subsidy to make up a part of the difference.

The Committee and I feel we should again include articles in the warrant calling for a school bus and high school conveyance. Many people feel very strongly about this matter and it should come before the voters for discussion. For this reason we have included these articles again this year.

In closing I once again extend my thanks to the town officers and citizens for their cooperation. I would be terribly remiss not to mention one other matter. The town will long mourn the untimely passing of Claude Bonsey. In my opinion, he did more for the schools of Surry than any other one man. Were I a voter of your fair town I would move that the Town of Surry could not honor his memory, nor its school, any more than by naming that school for him.

Respectfully submitted,

G. Frank Sammis, Jr.
Supt. of Schools.
